Constitution

6.a) The officers of the Association shall be: the Immediate Past President; the President; the Vice-President; the Secretary; the Treasurer; the Editor or Editors of each of the Association's national journals, *ex officio*.

6.b) The Vice-President shall hold office for a term of two years, and, on completion of his or her term, automatically succeed to the office of President without further election for a term of two years. On completion of this term the retiring President shall continue to serve on the Council for a further two-year term as Immediate Past President.

6.c) The Secretary and Treasurer at the time of their election shall each have served for at least one term as a member of the Council. They shall each hold office for a term of three years from the date of their election, and, on completion of their first term, shall normally be eligible for re-election for a second three-year term.

7.a) The Council of the Association shall consist of the officers specified in section 6a and nine other members elected at the annual meeting of the Association, and one member representing the Graduate Student Caucus.

7.b) The Council shall include representation at all times from the Atlantic Provinces, Quebec, Ontario, and the Western Provinces, with an overall representation that reflects the national character of the Association. One member of the Council shall represent the locality chosen for the annual meeting of the Association. One member of the Council shall represent secondary school teachers and pre-university professors of Classics in Canada. The member representing the Graduate Student Caucus is chosen by the latter at its Annual General Meeting.

7.c) All members of the Council not serving as officers of the Association shall normally be elected for a single term of three years, but they may be eligible for re-election for additional terms, provided that their candidature is approved by the Nominating Committee.

By-Laws

5.c) After the annual meeting, the regular nomination of a member in good standing may be submitted to the secretary at any time until the announced deadline, which will normally be January 31 of the following year. A summary of nomination procedures, a list of Council vacancies, and a formal call for nominations shall be mailed to members well in advance of the deadline.

5.d) Each regular nomination shall be submitted in writing and signed by two members of the Association. It must be accompanied by the signed consent of the nominee.

5.e) The secretary shall forward all valid regular nominations to the chair of the Nominating Committee; that Committee shall draw up its slate as soon as possible after the announced deadline. Members duly nominated by the foregoing procedures shall be given prior consideration for vacant positions on Council, but the Nominating Committee shall be empowered to consider further names of its own choice. Due regard must be given to Section 7.b of the Constitution, a requirement that may render some nominees ineligible in any given year.

5.f) The slate chosen by the Nominating Committee shall be mailed to members along with other advance agenda materials for the annual meeting, and will be presented for election at the annual meeting. Additional special nominations may be made after the regular deadline, provided that the secretary has received written notice at least two weeks before the annual meeting. Such nominations must in each case be supported by at least five members of the Association, and must be accompanied by the signed consent of the nominee. The names of special nominees will be placed on appropriate ballots for election at the annual meeting, in addition to the slate of the Nominating Committee.
