7. Motions to revise the bylaws / Motions pour amender les règlements

Motion: The editor of *Phoenix* moves to introduce a subsidy for print copies of the journal.

Rationale:

Phoenix continues to be committed to deliver the journal to the members of the CAC and to its subscribers in its physical and digital formats. The rising costs of paper and distribution have a negative impact on the finances of the journal. For this reason, the journal requests a subsidy for the physical copy of the journal at a sliding scale that follows the membership categories of the CAC and is listed below. A contribution to the physical Phoenix copies also will have the environmental benefit of ensuring that only those colleagues who really want a physical copy will receive one.

Life members are exempt.

Regular members: \$25

Retired members: \$15

Classics Enthusiast: \$10

Pre-university Teacher: \$10

Regular members earning less than \$40,000: \$5

Student members: \$5
